Wily Splain
Alaska AISES President
PO Box 81833
Fairbanks, AK 99708-1833

Dear Wily,

Your application for recognition as an American Indian Science and Engineering Society (AISES) Professional Chapter has met all requirements. This letter will serve as your official notice of Approval and Recognition for the newly established Alaska AISES Professional Chapter (AAISES).

AISES Professional Chapters were established to create a full circle of support system. Students begin their journey with AISES through K-12 participation, they continue with higher education, and finally enter the workforce. Professional chapters are there continuously supporting the transition from one level to the next, illustrating a 'giving back to AISES' relationship. We welcome you with much appreciation and know you will contribute to the professional growth of AISES.

As an AISES Professional Chapter, you are entitled to the use of the AISES Federal Tax ID# 73-1023474. Please review your establishing chapter documents as there are reporting and financial responsibilities due periodically. Per the AISES By-Laws, you will be required to submit an annual chapter report, due by January 1st of each year, with the following included (but not limited to):

- List of all members and officers
- List of all activities throughout the year
- Financial Report

Please be advised that the Governance Committee is currently working on revisions to the Professional Chapter By-Laws. You will be informed of the changes as they are developed. We suggest you periodically visit the AISES website for updates and announcements at www.aises.org or feel free to contact April Armijo, Information Services Coordinator, at (505) 765-1052 x 109, or email her at aarmijo@aises.org. We welcome and congratulate you on becoming an AISES Professional Chapter!

Sincerely,

Pamala Silas
Executive Director
